

HVAC Sheet Metal Apprentice and Warehouse Helper

Full Time | Ashland, KY

General Heating & Air Conditioning has been keeping homes and businesses comfortable across Eastern Kentucky, Southern Ohio, and Southwestern West Virginia since 1968. We're a family owned company looking for a dependable, hands-on Sheet Metal Apprentice and Warehouse Helper to join our team in Ashland. This is a great opportunity to learn a skilled trade from experienced fabricators while keeping our shop and warehouse running smoothly.

What You'll Do

- Learn sheet metal fabrication by assisting with ductwork, fittings, and custom metal components
- Receive, organize, and stock inventory in the warehouse
- Pull and stage parts and equipment for installation crews and service technicians
- Load and unload deliveries and keep the warehouse and shop clean, safe, and organized
- Help maintain accurate inventory counts and flag items that need reordering
- Support installers and fabricators with other shop tasks as needed

Requirements

- Valid driver's license (required)
- Must pass a pre-employment drug test and background check
- Ability to lift 50+ lbs regularly and stay on your feet throughout the day
- Reliable, punctual, and a team player with a strong work ethic
- Comfortable using hand tools and power tools, or willing to learn
- Sheet metal, warehouse, or construction experience is a plus but not required. We'll train the right person
- High school diploma or GED preferred

How to Apply

Apply through Indeed or visit ghacinc.com/careers. Come learn a trade with a company that's been trusted in the Tri-State for over 55 years.

All offers of employment are contingent on successful completion of a drug screening and background check. General Heating & Air Conditioning, Inc. is an equal opportunity employer.
